

Current rating	1.5 A
Insulation resistance	$\geq 1000 \text{ M}\Omega$ Under normal atmospheric pressure
Contact resistance	$\leq 2.5 \text{ M}\Omega$ Under normal atmospheric pressure
Voltage rating	230V rms max
Dielectric strength	DC (1000V) AC (700V) no breakdown and arcing within 1 min
standerd according to internet standerd	I50/IEC 11801
